Dear Henry:

Many thanks for your good letter of April 24 enclosing a copy of the Political Adviser paper. I have again read it with a great deal of interest and all I can do is to congratulate you on an excellent presentation of the problem. I think you have assembled the essential features in a most understanding and practical way. I hope this is the basis which will be used in the future.

With warm regards and best wishes, I am

Yours sincerely,

Robert Murphy
